# Brand Connect @

We are suppliers from Dubai and we found WOFX to be very useful for us. We were able to make many contacts at the fair both from exhibitors and industry professionals. WOFX is very good for professionals with something for everyone from across the world. We will definitely be returning for the next edition of WOFX.

**Mohamed Adel Asran**, Middle East Furniture, UAE

I found the international pavilion at the fair particularly useful. Connecting with fabric vendors and talented outdoor furniture designers and suppliers was a great investment of my time, and I'm excited to explore potential collaborations.

**Rajesh Sangewar**, Head – Product Design & Development, Wipro, India

**Santosh Sonar**, Sr. Buyer – Furniture, Danube Home, Dubai, UAE

As a furniture buyer from Dubai, I am always on the lookout for fresh perspectives and innovative designs. WOFX-World Furniture Expo provided that! The mix of international and domestic exhibitors was perfect. I met and placed orders with trendy furniture designers from Southeast Asia and with established Indian manufacturers. This expo is a must-attend for any serious furniture buyer.

# Converge - Connect -

WOFX is a one of its kind show focusing on the B2B Model where furniture manufacturers, importers, agents and stockists meet dealers, distributors and buyers from across India. Unlike other shows which tilt more towards furniture retail, WOFX gives each seller the perfect audience & platform to showcase their best. We have been part of WOFX for the past two years and will continue to participate in the future editions as well.

**Mustafa Merchant**, Founder, Urban Living, India

Last year we received a great response at WOFX and based on that experience we decided to participate again at WOFX 2023. We were happy with the footfall we received at our booth during the exhibition from different countries and different types of buyers. Participating in the Design Talk and Business Pulse seminars provided actionable insights to better understand the India market.

**Varun Kant**, Country Head, HomesToLife (HTL), Singapore

WOFX is a great platform for us to showcase our latest collection which has grabbed attention from hotels, restaurants and retailers from across India - not just Mumbai, but diverse states and regions! We had a great experience and are planning to come back again next year with a larger space and more products for the Indian market.
