**PRODUCT FEATURE**

*Italian Leather*

Italian Leather is created to look rich and luxurious. You can relate this design to a modern antique look. Offering a range of eight very rich but also trending colours, it is suitable for home furnishing as well as upholstery for commercial areas such as, cafes and restaurants. This design will definitely bring you the nostalgia of olden times, when upholstered in vintage Chesterfield chairs. Great design, great colours, great performance.

- 1 Modern Antique Look
- 2 Trendy & Commercial Applications
- 3 PU & PVC Leather Range of Colors

**PRODUCT FEATURE**

*Spectrum*

As the name says it...SPECTRUM offers a spectrum of bright, vibrant colours to suit mainly the commercial & public area furnishing, special projects, kindergartens, indoor playground seats as well as for enclosures that requires such upbeat colours to add to their interior. This collection offers eight colours in four different textures. If you require a modern geometric texture, we have, if a gentler leather grain is what fits the bill, we have you covered too. What a great range to do some mix & match according to your upholstery needs.

- 1 Modern Bright Colors
- 2 Commercial Applications
- 3 Mix & Match Options

## PT. Indocasa Furniture

Italy

Website: [www.indocasafurniture.com](http://www.indocasafurniture.com)

### COMPANY PROFILE

At Indocasa Furniture, our number one goal is to create distinctive teak furniture that stands the test of time. We lead the way in furniture trends and innovation by combining modern European design and local Indonesian craftsmanship to transform sustainable teak wood into works of art that will last for generations.

We are headquartered in Jepara in Central Java, widely known as the epicenter of fine teak wood furniture manufacturing. Our local factory employs some of the greatest carpenters in the world who expertly implement European production techniques, providing our customers with the highest quality products at the most affordable prices on the market.

With over 40 years of experience in the industry, we predominantly serve wholesale distributors and manufacturers as well as export custom teak furniture pieces. We are proud to be the trusted supplier and partner for a variety of retail showrooms, hotels, restaurants, resorts and private residential projects across the globe.
